Load up your tortilla chips with salsa, guacamole, and cheese sauce. Next comes turkey and beef tacos with all the fixings. Which do you prefer, hard shell or soft shell? Don't worry, we've got both! Don't forget the seasoned black beans and Spanish rice. And what's a yummy taco dinner without churros. After dinner, DJ Derek will play some tunes and get our feet moving on the dance floor! There will also be a cash bar for your enjoyment.

Make sure you don't miss the chance to take a group picture with all your fellow club members.

A party also needs decorations, right? Show us how creative your club is by coming to the ballroom early and decorating the table with fun slumber party items.

### **Keynote Speaker**

*Saturday, October 20<sup>th</sup> ~ 11:00 am to 12:00 pm ~ Lakeshore Ballroom*

### ***Do you wear a mask or do you wear your soul?***

*Why does it feel so often that we are misunderstood, resentful, alienated, or taken for granted? Why is it that we are no longer fired up about the life we signed up for years ago? We compare ourselves to people on social media and we wonder why everyone else's life looks so fabulous.*

*Imagine living a life of freedom, joy, and authenticity. Imagine giving yourself permission to show up for yourself, imperfections and all, and simply be YOU! Imagine what parenting and partnership would look and feel like if you stepped into your own space, trusted your gut and found your voice? Imagine all the burdens you could set down if you wore your soul instead of a mask. Find yourself, your life, your purpose, your joy. Wear your soul instead of a mask. Authentic living starts and ends with you.*

We are so excited to have T-Ann Pierce return as our Convention keynote speaker. T-Ann is a certified, transformational life coach who lives in a northern suburb of Chicago with her husband, four children (two of which are twins and all four are in various stages of flying the coop) and a sometimes naughty Jack Russel Terrier named Pig. Her articles have been featured in Your Tango, PopSugar, Time, The Good Men Project, Role Reboot, and Yahoo! Lifestyle.
