Member-to-Member Messages

(printed in the convention manual)

Would you like to publicly recognize a member for their effort or contribution? Or would you like to thank a club friend for some extra special help? Maybe you would like to send someone a kind word of encouragement, or even share a favorite memory. **Member-to-Member Messages** are a wonderful way to publicly acknowledge club members, or express a private joke that only a few people will catch on to. Just imagine their surprise when they find your messages waiting for them in the Convention Manual.

For **\$3 per message**, you can send a message to your friends using the IOMOTC Convention Manual. Remember, there is a **25 word limit**, so choose your words wisely! Please include your TO and FROM so that your friends are sure to know it's meant for them.

Here's my message:

Are there other club friends who would appreciate knowing that you value their efforts, or just that you are thinking of them? You can't put a limit on spreading good news and cheer, **so send as many member-to-member messages as you would like**. Remember, it's only \$3 per message.
